Notes to Applicants

About the Gambling Supervision Commission

The Gambling Supervision Commission (GSC) is the sole regulator of all online gambling activities on the Isle of Man. One of its statutory objectives is to ensure that gambling is not a source of crime or disorder, is not associated with crime or disorder, and is not used to support criminal activity.

The information requested in this application form enables the GSC to meet this objective and to determine whether the named individual satisfies the statutory requirements set out in the Online Gambling Regulation Act 2001 (as amended).

Regulatory Checks

To make this determination, the GSC is authorised to carry out any enquiries reasonably necessary to confirm compliance with these requirements. Such enquiries may reveal pending prosecutions, investigations, or any barring or disqualification by a professional body, or industry regulator.

If you wish to discuss this further, please contact the GSC.

Completing and Submitting the Form

This form must be completed for any individual proposed to hold a key role within an applicant company—whether as part of a new licence application or when an existing licence holder appoints a new person.

Please answer all questions fully. Where specific information is requested, provide complete details. Failure to do so may delay processing or result in your application being returned.

Completed forms, together with all supporting documents, should be sent to the address below unless you have already been in contact with the Inspectorate.

In addition to the posted application, we are happy to receive a digital copy by email.
